

Kay King graduated from University of Central Arkansas with a Master's degree in Community and Economic Development. She is also a graduate from Northeast Louisiana University (now ULM) and West Monroe High School. She is a Licensed Professional Land Surveyor in the State of Louisiana and prior to her employment with MEDC in 2005, she was employed as the City Surveyor with the City of Monroe. She has over 30 years experience in various aspects of land and real estate development including utility and highway planning.

A resident of the Bastrop area since 1998, she is dedicated to the economic recovery of the area and actively participated in the development of the Strategic Redevelopment Plan for Morehouse Parish. The Plan was completed in April 2010 and has been instrumental in the attraction of new industries to the Parish.
